Newsletter

Dear Parents, Friends, Students and Teachers:

Our winter term is almost over. It was a very successful term in spite of all the cancellations. The classes will individually decide whether or not to hold any makeup classes.

We thank you for your support in making this another enjoyable and successful year for the German Heritage Language School and we hope you will return next fall.

### **Closing Ceremonies and Scholarship**

All parents and all adult students are cordially invited to the school on April 9 to attend the Closing Ceremonies where the children will display their new language skills. At this time we will award the **Gerta Josenhans Memorial Scholarship** to a senior child student who has shown a continuing interest in German. The winner for the 2007-2008 year was Krista Grunsky.

### **Spring Term**

If you are interested in continuing your studies after April 9<sup>th</sup> in a shorter Spring Term, please let your teacher know as soon as possible. Courses can be extended if we have 5 or more students.

### **Registration for Fall Term**

We invite all continuing students to send in their registration for the Fall Term which starts September 24. All the forms and fees are available on the GHLS website [www.german-language-school.ca](http://www.german-language-school.ca) Early registration by mail results in a \$5 fee deduction!

### **Annual General Meeting**

The German School is administered by the German Heritage Language School Association of Nova Scotia. Adult students, parents of children enrolled in the School, teachers, board members and sponsors are all members of the Association. The Annual General Meeting is your opportunity to discuss the affairs of the School and contribute your suggestions. We will be electing a new executive at this time. (If you are interested in becoming a board member, please contact Erika Ehses at 425-7657.) After the meeting there will be light refreshments and a good opportunity to get to know each other.

This year, the Annual General Meeting will be held Tuesday May 26, 7pm at 30 Boutilliers Lane in Dartmouth.

### Wie heißt der Wirt ?

Ich weiß ein kleines weißes Haus,  
hat keine Fenstern, Tür und Toren,  
und will der kleine Wirt heraus,  
so muß er erst die Wand  
durchbohren.

### Ein Nach Ostern Gedicht

von Eduard Mörike

Ostern ist zwar schon vorbei,  
Also dies kein Osterei;  
Doch wer sagt, es sei kein Segen,  
Wenn im Mai die Hasen legen?  
Aus der Pfanne, aus dem Schmalz  
Schmeckt ein Eilein jedenfalls,  
und kurzum, mich tät's gaudieren,  
dir dies Ei zu präsentieren.  
Und zugleich tät es mich kitzeln,  
Dir ein Rätsel drauf zu kritzeln.

Die Sophisten und die Pfaffen  
Stritten sich mit viel Geschrei:  
Was hat Gott zuerst erschaffen,  
Wohl die Henne? Wohl das Ei?

Wäre das so schwer zu lösen?  
Erstlich ward ein Ei gedacht:  
Doch weil noch kein Huhn gewesen,  
Schatz, so hat's der Has gebracht.
